

DIRECTIONS FOR PACKING THICK EDISON DISC RECORDS FOR SHIPMENT

1. Each disc in a paper sleeve
2. Then a plastic liner over each sleeve
3. Discs wrapped in bubble wrap, about 5 discs to a group, cardboard re-enforced panels between them
4. Multiple groups in inner boxes surrounded by packing peanuts
5. Inner boxes put into outer boxes, about 35 records to a box
6. Outer boxes lined with hard foam insulation then filled with packing peanuts surrounding inner boxes

THANK YOU!
